ABORTION PILL REVERSAL

No woman should feel forced to complete an abortion when she has a change of heart.

There is an aggressive push by the abortion industry toward chemical abortions, commonly called the "abortion pill." Stanton offers the critical, life-saving option of **Abortion Pill Reversal** to moms who feel the sting of regret after taking the first abortion pill.

So far, five Stanton Babies have been rescued from chemical abortions!

WELLNESS CENTER

The **Stanton Wellness Center** in Boise offers pre- and post-natal education classes, RN-led childbirth classes, lactation consultations, mammogram screenings, health coaching, massage therapy, spiritual guidance, refugee services and more.

142 women were served at the Wellness Center, including **17** women who experienced Christ's healing and hope through our After Abortion Care programs.

Overall, **\$19,193** in services and support was provided.

HISTORY MADE!

THE FIRST MARCH FOR LIFE WITHOUT ROE AS THE LAW OF THE LAND!

Our Stanton Moms were excited to travel with their children to participate in the March for Life in Washington, DC. Seeing thousands of people at the first post-Roe march gave them fresh eyes to see the vast community of support that exists for women facing unexpected pregnancies!

Stanton Healthcare is non-partisan and works to educate lawmakers on both sides of the aisle to build an uncompromising culture of LIFE.

STANTON HEALTHCARE EXPANDS INTO ONTARIO, OREGON, WITH MOBILE CLINIC

When Roe v. Wade was overturned, Planned Parenthood quickly made plans to continue their Idaho abortion business just across the border in Ontario, OR.

On the first day they opened, Stanton Healthcare rolled in with our third-party accredited, state-of-the-art, mobile medical clinic ready to provide exceptional medical care, resources, and ongoing support to the women of Idaho and Oregon.

Our Stanton Mom, Kylie, recently shared: "Stanton's compassionate staff is always a joy to sit down with, as much as it is a joy to see my growing baby. In such a small area, the services Stanton provides are life-changing."

Please prayerfully consider a gift of

\$77, \$727, or \$9,134

to save lives and provide hope.

Thank you for standing with us as we expand our community of *hope!*
