

STANTON *Impact Report* FALL 2022

Stanton International is a life-affirming movement of women's healthcare clinics founded and based in the Treasure Valley. Stanton exists to ensure women facing unexpected pregnancies have access to quality care and compassionate alternatives to abortion. All services are provided at no charge to women, children, and families.

HISTORY MADE:

ROE V. WADE OVERTURNED AND STANTON FOUNDER / CEO BRANDI SWINDELL TESTIFIES BEFORE U.S. SENATE COMMITTEE!

America is experiencing a new reality: abortion on demand is no longer the law of the land. There is much to celebrate and much work to be done.

Brandi Swindell was invited to testify before a United States Senate Committee on behalf of Stanton Healthcare and pro-life centers across the country. She was the only pro-life, Christian witness on the panel.

STANTON HEALTHCARE IS LEADING THE WAY IN A POST-ROE AMERICA.

Stanton is bringing together pastors, faith and political leaders, community organizations and educators in a series of non-partisan symposiums to discuss and implement creative ways to stand with women and their families in an abortion-free Idaho and America.

Watch Brandi share a powerful message on Capitol Hill!

Watch the full Stanton Symposium: Supporting Women in an Abortion-Free Idaho here!

As Stanton Healthcare expands services, Planned Parenthood permanently closes its doors in Boise.

Stanton was founded with a vision to replace Planned Parenthood. A few months ago, our Stanton clinic on State Street in Boise did just that! Idaho's capital city no longer has a Planned Parenthood abortion center.

Together, we will provide women and their families with life-honoring help and hope for decades to come.

Stanton Healthcare has been accredited by the Accreditation Association for Ambulatory Health Care (AAAHC).

Accreditation distinguishes Stanton from many other outpatient facilities through adherence to rigorous standards of care and safety. Status as an accredited organization means we have met nationally recognized standards for the provision of quality healthcare set by AAAHC.

TOGETHER, WE CELEBRATE...

237

Stanton Babies born

188

Stanton Babies due

TOGETHER, WE VOLUNTEERED...

13,232

hours totaling

\$396,960

in donated time

In response to the increased push of chemical abortions via the "abortion pill," Stanton is offering **Abortion Pill Reversal** to moms who feel the sting of regret after taking the first abortion pill.

So far, three Stanton Babies have been rescued from chemical abortions!

Stanton Mom Starr &
Stanton Baby Titus

More than 90% of women choose life after seeing their baby on ultrasound and talking with a trained advocate or medical professional at Stanton.

TOGETHER, WE PROVIDED...

\$528,421

in life-affirming services

\$239,400

760 ultrasound exams

\$23,010

354 in lab-grade pregnancy tests

\$7,129

35 STI testing and treatment

\$258,882

in baby clothing and supplies, along with 18 months of wellness support through our StantonCare individualized program for moms and babies

TOGETHER, WE SERVED...

390

women, of whom...

63%

were considering or seeking an abortion and

65%

were attending church at the time.

Please prayerfully consider a gift of
\$75, \$750, or \$7500
to save lives and provide hope.

Thank you for standing with Stanton as
we create a community of **HOPE!**

"I'm so grateful to everyone who supports Stanton so women like me can know Abortion Pill Reversal exists and have access to it. It gave me the opportunity to change my mind. I would have missed out on life with my son and I would have regretted that decision forever."

— Stanton Mom "Jennifer"

Stanton International is a project of Generation Life, Inc., a non-profit 501(c)(3) organization recognized by the IRS. Donations are tax-deductible.
